

REPLY TO BIDDER'S QUERIES-II

Bid Document for Implementation of GIS based Management System for CUGL's Infrastructure for City Gas Distribution Project of M/s. Central U. P. Gas Limited				Bid Document No.:CUGL/C&P/TEN2627/13 dated 03.06.2026 (NIC Tender ID: 2026_CUGL_279675_1)	
Sr. No.	Page No	Clause No.	Subject	Bidder's Queries/ Observation/Comments	CUGL Response
1	6	BEC	ISACA CMMI Level with Appraisal ID for IT/Software Development Services – CMMI Appraisal Result must be verified from the portal: https://cmminstitute.com/pars	We respectfully request the authority to consider and accept the CMMI Level 3 certification issued by International World Registrar Group, as this organization is equally authorized and recognized for CMMI appraisals. We believe this will widen the competitive participation pool for the benefit of the procuring organization.	ISACA CMMI Level with Appraisal ID for IT/Software Development Services – CMMI Appraisal Result must be verified from the portal: https://cmminstitute.com/pars OR CMMI Maturity Level 3 certification or above appraisal for IT/Software development services facilitated by International World Registrar Group or any other recognized body will be considered with validity on bid due date
2	6	BEC	Ownership of: (a) 1 No. CS Pipeline Locator and 1 No. GPR; (b) 6 Nos. CORS-Enabled DGPS / Handheld GPS Instruments	a. We respectfully request the authority to permit the lease/rental of the aforementioned equipment during the bidding stage, in lieu of outright ownership, as this is common practice in the industry for project-specific deployments. b. We seek clarification on whether the tender/clarification requirement reads "01 No. CS Pipeline Locator AND 01 No. GPR" or "01 No. CS Pipeline Locator / 01 No. GPR" Pls confirm and correct the requirement if it is a typographical error.	a. Tender Condition Prevails b. to be read as :01 No. CS Pipeline Locator AND 01 No. GPR
3		Request for Extension of Bid Submission Deadline	Current Bid Submission Deadline is 29 June	This is a technically significant and prestigious project for our organization. We are fully committed to submitting a comprehensive, competitive, and high-quality technical proposal that addresses all requirements. In order to ensure due diligence and completeness in our submission, we respectfully request an extension of 08 (Eight) working days from the current bid submission deadline.	Bidder to refer Corrigendum III hosted on CUGL website under Active tenders.
4		BEC (Corrigendum-II)		"Supply or customisation of any Commercial Off-The-Shelf (COTS) Software, including OEM GIS Solutions shall NOT be considered for evaluation."	Bidder to refer READ As column of Corrigendum-II wherein point no: a is Supply or Customization of any COTS software, including OEM GIS solutions will be considered for evaluation.
5		BEC	ISACA CMMI Level with Appraisal ID for IT/Software Development Services – CMMI Appraisal Result must be verified from the portal: https://cmminstitute.com/pars	"ISACA CMMI Level with Appraisal ID for IT/Software Development Services, CMMI Appraisal Result must be verified from this portal (https://cmminstitute.com/pars)" This has no relevance if you consult the IITs who are working on Mission mode GIS projects – GatiShakti, Geospatial Mission, Rare Earth Mission etc.	ISACA CMMI Level with Appraisal ID for IT/Software Development Services – CMMI Appraisal Result must be verified from the portal: https://cmminstitute.com/pars OR CMMI Maturity Level 3 certification or above appraisal for IT/Software development services facilitated by International World Registrar Group or any other recognized body will be considered with validity on bid due date
6		BEC	Equipment ownership	Corrigendum-II amends the equipment ownership requirement by removing the "01 No. GPR" from the earlier clause, retaining only: "1 Nos. of CS Pipeline Locator"	Bidder to refer READ As column of Corrigendum-II wherein equipment ownership of 01 no. CS pipeline locator AND 01 no. GPR will be considered for evaluation

	Bid Document for Implementation of GIS based Management System for CUGL's Infrastructure for City Gas Distribution Project of M/s. Central U. P. Gas Limited				Bid Document No.:CUGL/C&P/TENZ627/113 dated 03.06.2026 (NIC Tender ID: 2026_CUGL_279675_1)
Sr. No.	Page No	Clause No.	Subject	Bidder's Queries/ Observation/Comments	CUGL Response
7		BEC	"One (01) work order which includes Implementation of GIS based Asset Management System which includes Underground Gas pipeline detection survey using CS pipeline Locator and GPS/DGPS instrument along with Development of GIS based Web and Mobile Application with minimum value of INR. 2.06 Cr. under single work order/contract for any CGD/Oil/Gas Sector in India."	We submit that the threshold should be raised to reflect the actual scale of the current scope, while simultaneously recognizing cumulative experience across multiple work orders – a standard practice in most PSU tenders of this complexity.	BEC has been prepared in line with CUGL's C&P policy. Tender condition prevails.
8		BEC	Bidding through JV consortium is not allowed	Permits consortium / JV bidding with clear anti-cartel safeguards, consistent with the scale and complexity of this scope.	Tender Condition Prevails
9		BEC	Bidder must have their ownership of Survey instrument at the time of bidding of mentioned below: a. 01 no. CS Pipeline Locator AND 01 no. GPR b. 06 no. CORS enabled DGPS/ Hand Held GPS	Corrects the equipment ownership minimum to align with the Scope of Work deployment requirement (minimum 2 Pipeline Locators, 8 DGPS instruments), and reinstates GPR as an owned instrument	Bidder must have their ownership of Survey instrument at the time of bidding of mentioned below: a. 01 no. CS Pipeline Locator AND 01 no. GPR b. 04 no. CORS enabled DGPS/ Hand Held GPS

Bidder are required to submit the "REPLY TO BIDDER'S QUERIES" alongwith the bid duly signed & stamped.
