Sr. No.	Scope of Work	Tender Section/Page No.	Bidder's Queries/ Observation/Comments	CUGL Response
1	Site Visit		During the site visit which was attended by our representative, it is understood that total pipeline work is spread in six to seven sections. Most of the pipeline section is covered under state highways and some portion is also coming under jurisdiction of NHAI. Inview of above, it is apprehend that there may be involvement of more than one PWD departments. Therefore, for submitting a complete and competitive bid, we request CUGL to kindly confirm the number of PWDs involved in the total pipeline section under this tender.	Tender condition prevails
2	Site Visit		During the site visit, bidders were informed that some portion of the pipeline section is coming under the jurisdiction of forest department. We understand that the permission of the forest department is already available with CUGL. Request you to confirm the same.	Bidders informed that permission applied to forest department for some stretch.
3	SOR	Page no. 141 / SOR SR NO 10	Sr. No. 10 of SOR describes the work of shallow HDD with bunddle pulling of carrier pipe and OFC duct. In the tender document, it is not clear whether supply of OFC duct is in the scope of contractor or it will be supplied as free issue material to the contractor. Kindly confirm the same.	If required , same shall be scope of contractor.
4	Payment terms & Mode of payments	Point no 6.1.2 ./ Page no 115	For the underground pipeline, bidder becomes eligible to claim only 45% of SOR line item price on lowering and backfilling. This amount is very less compare to the expenses which are incurred by the contractor. Therefore, CUGL is requested to kindly ammend/ revise this percentage to minimum 65% in order to maintain a positive cashflow of the project.	Tender condition prevails
