TENDER NO. CUGL/REPL/WORKS/2026/33
TENDER FOR EMPANELMENT OF CONTRACTORS FOR D-PNG CONNECTIVITY WORKS IN KANPUR, UNNAO, BAREILLY AND JHANSI FOR A PERIOD OF 1 YEAR

Sr. no.	Page No	Tender clause no.	Clause Description	Bidder's Query	Proposed Reply
QUERIES					
1	75-76	SCC cl. 21.5, 21.7	Waiver of Penalty for DMA Registration Delays	In instances where DMA registration cannot be completed due to technical issues or limitations on the official website/portal, we request that the applicable penalty be waived.	No penalty linked to "DMA registration" exists in the tender. Waiver is considered only for reasons not attributable to the Contractor. Tender Condition Prevails
2	31; SOR 122-126	ITB cl. 34.1; SOR Item 1.5	Revision of GPS Rates:	The currently specified rate for GPS work is considerably low compared to prevailing market costs. We kindly request an upward revision of the GPS rate.	Tender Condition Prevails
3	77	SCC cl. 22.4, 22.6	Proportional Reduction of Two-Month Closure Penalty	At present, missing the twomonth closure deadline attracts the same flat penalty for both Type 1 and Type 2 works. Considering the difference in scope and rates between Type 1 and Type 2, we request a proportionate reduction in the penalty amount.	Tender Condition Prevails
4	6-9, 31-34	BEC cl. 8; EMD cl. 10.1; ITB cl. 36	Eligibility for Bidding (Type 1 & Type 2)	Please clarify whether a single contractor is permitted to submit bids for both Type 1 and Type 2 categories at the same time.	No. Type 1 (Main Contractor) and Type 2 (Sub-Contractor) are separate empanelment categories, each with its own BEC (cl. 8) and EMD (cl. 10.1.) Bidder should bid as per their respective categories only.
5	68	SCC cl. 5.6, 6.2	Issuance of Payment Advice	We request that a formal Payment Advice be issued upon the release of payments to facilitate accurate accounting and reconciliation.	Same is under process and shall be provided to the vendor as and when the same is integrated in the system.
